

Dementia Friendly Accomplishments

Creating Supportive Communities Across Minnesota

ACT on Alzheimer's is a statewide, volunteer-driven collaboration seeking large-scale social change and community capacity-building to transform Minnesota's response to Alzheimer's disease.

40+

Minnesota communities

working to become dementia friendly; small rural to large urban

Over 1,500

physicians and care coordinators trained on dementia care best practices

2,100+

Interviews completed

across 11 community sectors to assess a community's dementia readiness

3,000+

Dementia Friends trained

and taking action to change the way we think, talk, and act about dementia

28 formative evaluation reports

of ACTonALZ initiative, work, and impact

Dementia Friendly @ Work training

developed to equip all community environments to better serve and support people touched by dementia

Dementia Friendly America™

ACTonALZ methodologies and successes **underlie DFA** work

Minnesota leaders

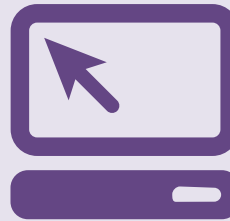

in adopting dementia care practice change using ACT on Alzheimer's® developed practice tools

100+

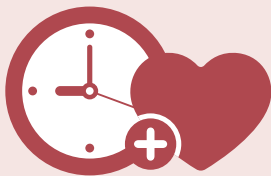

attendees of ACT health summit represented health care systems, insurers, government and community agencies

25,000+

views of ACT health care videos/webinars on identifying impaired cognition, delivering a diagnosis, and coordinating care

10,000+

hours of in-kind expertise given towards ACT's collective ownership and accountability structure

The screenshot shows the ACT on Alzheimer's website. At the top, it says "Minnesotans working together on the impacts of Alzheimer's" and "Connect" with social media icons. The navigation menu includes HOME, ABOUT, COMMUNITY RESOURCES, PROVIDER RESOURCES, and RESEARCH. A search bar is present. The main content area features a banner for "Quality Dementia Care for All" with a "Learn More" button. Below the banner are two featured articles: "Video Tutorial: Cognitive Assessment" and "Dementia Friendly Community Toolkit". The footer contains sections for About, Community Resources, Provider Resources, Research, and Connect With Us.
